Start numbers and start time

Each boat will be given her own starting time and this information is provided separately to competitors and will be sent to the email address held on the Club website in Sailing Club Manager

Start times will be amended during the series and those boats affected will be informed by email.

Each week the previous week's winner in each class shall start one minute later. Any boat may have its start time changed in order to provide fair racing.

Start Line

The start line will be between the Committee Boat and Bald Head Buoy [73]

Starting procedure

All starts will be Committee Boat starts and the procedure will be:

At least five minutes before the first boat is due to start the Committee Boat will fly the relevant flag for the course to be sailed and this will remain hoisted until the last boat has started.

At 18:40 a sound signal will be made, and the time (minutes only) will be displayed on a board on the Committee Boat.

Thereafter the time will be changed at one-minute intervals accompanied by a sound signal.

BOATS WILL START WHEN OR AFTER THEIR TIME IS DISPLAYED.

Boats not about to start shall avoid the starting area during the starting times for other boats.

Recalls

It is not always possible to recall premature starters. If a boat starts before her start time and fails to return, she will be penalised, losing five places if she starts less than one minute before her start time or disqualified if she starts more than one minute before her start time.

Shortening the Course

The course may be shortened by the Committee Boat at the Race Officer's discretion. If the course is shortened the Race Officer will make an announcement on VHF Channel M1(37a) and the Committee Boat, flying flag S, will take up station at one of the marks of the course, the finish line will be between the Committee Boat and this mark. In the event that the course is shortened at the entrance to the river, for courses A, B, D, F and G the finish line will be between the Committee Boat and Pile 1, for course E the finish will be between the Committee Boat and Pile 2.

Finish Line

The Finish line will be between the Committee Boat and Pile 10 unless shortened.

The Race Officer will set the course with the aim of finishing as many boats as possible at Pile 10, or at any mark of the course if shortened.

If the leading boat does not reach the finishing line by 20:15 the Committee Boat will make a sound signal and announce the race has ended on VHF Channel M1(37a).

The Race Officer will attempt to take the position of each boat in the fleet at that time.
